

Greetings!

Thank you for being a customer of Common Wealth Poultry Co. We really value your business and the opportunity to process your poultry. We have adjusted our fees and policies to better serve our customers. We have a few changes to announce that will directly affect you:

- We will begin taking appointments on January 2nd, 2018. Appointments will be first come, first serve.
- The minimum amount of chickens per appointment will be 200.
- The minimum amount of turkeys per appointment will be 50.
- Customers who bring less than 80% of their scheduled flock size without two weeks' notice of change to their scheduled flock size will be charged a non-refundable fee equal to the value of 80% of their scheduled flock size. (500 chickens were scheduled, but 350 were brought to slaughter. You will pay for 400 chickens to be slaughtered.)
- Customers who bring less than 200 chickens and 50 turkeys will be subject to an additional fee of \$1/bird.
- Customers who schedule more than 10,000 chickens per year must pay a non-refundable \$1.00 deposit, per bird, which will be credited back upon processing. (12,500 chickens scheduled for 2018 = \$12,500 deposit. Each bird would then be \$5.50-\$1.00 = \$4.50 to process.)
